

# Announcing the next Official MERCY **XS+Med\*Fest**

**An Excess Medicine Festival - Open House and  
Day of Public Distribution of Green Medicine**

**Saturday \* April 16, 2005  
High noon to 4:20 in Salem, Oregon**

To help Oregon Medical Marijuana Patients who need medicine, Mercy Center will be hosting a special event featuring food, green butter, baked goods, music, news, information, activism, like-minded company and cannabis.

The XS+Med\*Fest idea came about due to the constant cries for medicine from sick and dying here in Oregon. Therefore, the MERCY Patient Resource Team has made the commitment to work extra and produce as well as explore our network and make available enough medicine to try and help out.

So, the distribution window of opportunity normally reserved for MERCY members is opening up to public cardholders for this day.

**NOTE: Access to Excess Medicine for valid, current Oregon cardholders only.  
PLEASE - You MUST bring your OMMP card AND proof of identity!  
Thank you for your cooperation.**

Join us for an Open House & Distribution and general sharing of excess medicine and other Patient Resources. Donations cheerfully (tearfully!) accepted, but not required - OF COURSE. Free admission!
